“Amazing, amazing, amazing!”

“Thank you so much for blessing me. I am inspired and glad I came. Keep doing this! I now have hope.”

“This is one of the most amazingly inspirational workshops I’ve ever attended in my entire life!”

“Opening with song really worked to bring us all into the room — and the songs and voices were beautiful!”

“Listening to your collective stories, my heart has opened and my life has been changed. Powerful.”

“This was one of the best seminars I have been to and not once was I bored or not listening intensely!”

“Very proud of these black men. Proud to call them my brothers and role models for our young black youth.”

“Enjoyed every minute.”

The mission of Black Men Speak is to inform and enlighten the mental health community and the general public.

About issues concerning African American males with mental health and substance abuse challenges through a speakers bureau.

Our goal is to work towards healing the African American community. From stigma, discrimination, and trauma by sharing our stories, thereby promoting and increasing wellness, recovery, and freedom.
